Beachy Head (7" Mix)

Kathryn Williams

Feel like I'm being taken over
And I know this isn't me
Feels like it's too high to get over
These waves just roll over meWhich way to go?
What happened to you?
Did you slip off the edge?
What happened to you?
Did you slip off the edge?The sweetest sea, air falling downwards
The sky arching like I'm trying to hold you
Ten sailors pants could be cut out of this sky of blue
Will anything take hold in you?Training the morning to get up early
Ask in the evening to get a good night's sleep
Wanting to change everything about meWhich way to go?
What happened to you?
Did you slip off the edge?
What happened to you?
Did you slip off the edge?Sweetest salty air, falling downwards
The sky arching like I'm trying to hold you
Ten sailors pants could be cut from this sky of blue
Is anything going to take hold in you?What you really want is to fall upwards into the sky
Turn the world upside down
So you don't stop falling
So you never stop falling
So people will turn and sayWhat happened to you?
Did you slip off the edge?
What happened to you? Did you slip?
What a feeling inside
Pulling forwards, pulling backwardsWhen are you going to fly?
Will anything take hold in you?
Will anything take hold of you?
Will anything grab anything inside of you?
