

Sleep Now in the Fire

Rage Against the Machine

Oh, the world is my expense
It's the cost of my desire
Jesus blessed me with it's future
And I protect it with fire So raise your fists and march around
Just don't take what you need
I'll jail and bury those committed
And smother the rest in greed Crawl with me into tomorrow
Or I'll drag you to your grave
I'm deep inside your children
They'll betray you in my name Hey, hey
Sleep now in the fire
Hey, hey The lie is my expense
It's the scope of my desire
The party blessed me with it's future
And I protect it with fire Well, I am the Nina
The Pinta the Santa Maria
The noose and the rapist
The fields overseer The agents of orange
The priests of Hiroshima
The cost of my desire
Sleep now in the fire Hey, hey
Sleep now in the fire
Hey, hey
Sleep now in the fire For it's the end of history
It's caged and frozen still
There is no other pill to take
So swallow the one that made you ill The Nina the Pinta the Santa Maria
The noose and the rapist
The fields overseer The agents of orange
The priests of Hiroshima
The cost of my desire
Sleep now in the fire Sleep now in the fire
Sleep now in the fire
Sleep now in the fire
Sleep now in the fire
