No Need to Hide

Nathan Sanders

No Need To Hide Your Love From Me
No Need To Hide Your Love From Me, Baby Yea

As The Sky Needs The Clouds,
We Need Each Other
As The Wind Meets The Rain,
Let Us Come Together As One

So Let's Take The Chance, Oh Baby

No Need To Hide Your Love From Me, Yea
No Need To Hide

So Let's Take The Chance, Oh Baby
Let's The Chance
A Chance At Romance

Ooooooooo, Yea

No Need To Hide Your Love From Me

Our Love Is Special, The Time Is Right To Love

No Need To Hide
