## Mo'kalamity

Africa my love  
I've been dreaming for a long time  
To see  
Your landscape again for a long long trip  
Africa my love  
I've been dreaming for a long time  
To see  
Your landscape again for a long long trip  
You keep so much beauty in your soul  
You hide so much wealth in your heart  
Unfortunately weapons illness and corruption  
Are killing you  
Find inside yourself strength to get up  
Regain the liberty you've lost  
Africa the liberty you've lost  
Africa unite against disasters induced by the bad vibrations of Babylon  
They're exploited divided this continent  
And what is made by occident  
They're only trying to get your money  
How will it be?  
How will it be in fifteen or twenty year  
Africa is crying  
We can't fell unconcerned
