

# Die For You

[Megan McCauley](#)

Your fear it moves me  
Your weakness I taste  
I breathe you, I hate you  
You course through my veins And now and now You want me, you love me  
And I hate myself  
I need you but I hate you  
'Cause I want nothing else And I bleed you since I've healed you  
Your pain escapes through me  
'Cause I breathe you but I hate you  
'Cause they say we could never be  
They can't see I know I shouldn't love you  
There's just too much to fake  
But you see me, and I feel you  
And I am not afraid, I'm not afraid And I bleed you since I've healed you  
Your pain escapes through me  
'Cause I breathe you but I hate you  
'Cause they say we could never be It seems the pain's been traded  
Since I pulled you through  
And now my mind's been so jaded  
And I would kill myself for you, I'd die for you And I bleed you since I've healed you  
Your pain escapes through me  
'Cause I breathe you, but I hate you  
'Cause they say we could never And I bleed you since I've healed you  
But I hate you, but I breathe And I see you and I feel you  
And I hate you but I'd die for you, I'd die for you
