Baby

Little Richard

Baby, don't you need a man like me?
Yeah, yeah, yeah, yes
Baby, don't you need a man like me?
We could be so happy together
Try to raise a familyBaby, sorry I've gotta go
Yeah, yeah, yeah, yes
Baby, sorry I've gotta go
I'm gonna come back to see you, baby
When you wanna love me some moreYes baby, don't you need a man around?
Yes baby, don't you need a man around?
We could be so happy together
I'm the sweetest man in townBaby, sorry I've gotta go
Yeah, yeah, yeah, yes
Baby, sorry I've gotta go
I'm gonna come back to see you, baby
When you wanna love me some more
