David Bowie

[Verse 1]

Cheena so sound, so titty up this Malchick, say
Party up moodge, ninety vellocet round on Tuesday
Real bad dizzy snatch making all the homies mad, Thursday
Popo blind to the polly in the hole by Friday
Where the fuck did Monday go?
I'm go to this Giggenbach show
I'm sailin' in the chestnut tree
Who the fuck's gonna mess with me?[Chorus]

Girl loves me

Hey cheena

Girl don't speak

Girl loves me

Hey cheena

Girl don't speak[Verse 2]
