Seven Churches

[unknown]

Music: MT, LL Lyrics : JB
Seven churches down in hell
In the land where satan fell
Vows of satan's sacred scripts
Bring out the evil from its crypts
7 Churches
7 Priests
7 Hearts on which they feast
Watch the gods, take revenge
Rot in hell, For your sins
Sacrifice, to the sky
Terrors strikes, you will die
Taste the blood of the dead
As the sky turns to red
Rot in heaven rot in hell
Reach for the land from which he fell
7 bibles
7 crosses
7 saints mourn for their losses
Watch the gods take revenge
Rot in hell for your sins
Sacrifice to the sky
Terror strikes, you will die
Solo : MT Solo : LL Solo : MT Solo : LL
Holy water turned to blood
destroy the earth devils flood
pounding death from my hands
Spreading satan through the lands
7 Prayers
7 Bells
7 Churches rise from hell
Watch the gods take revenge
Rot in hell for your sins
Sacrifice to the sky
Terror strikes, You will die
