Just Like That

Next

I'm all in the spot, posted up
Park the drop, chill in the cut
See a couple hots, I'm like, "What up"
Nigga on a watch , tryin' ta find me one
I'm in disguise
Far away parked my ride
I ain't even wearin' my ice
I don't need nothin' to shine, good get
I'm lookin' for someone
(Just like that)
Hearing in her tongue
(Just like that)
Gotta have some fun and ain't trippin' on
Does them freaky things?
(Just like that)
Thick all in them jeans
(Just like that)
Goes down like submarines
(Just like that)
Just like that, just like that
(Just like that)
The music's bumpin', sippin' on Cognac
Pushin' up on somethin', sho Mack
She had 'em paper denim jeans, I'm tryin' ta
Take off them paper denim jeans
Bringin' mo game than Kobe, on a good day
Tryin' ta cross her over, in a good way
Ghetto, boughi, valley girl, hood rat
I want it all, just like that
I'm lookin' for someone
(Just like that)
Hearing in her tongue
(Just like that)
Gotta have some fun and ain't trippin' on
Does them freaky things?
(Just like that)
Thick all in them jeans
(Just like that)
Goes down like submarines

(Just like that)
Just like that
Baby, I'm lookin' for someone
(Just like that)
Hearin' in her tongue
(Just like that)
Gotta have some fun and ain't trippin' on
Does them freaky things?
(Just like that)
Thick all in them jeans
(Just like that)
Goes down like submarines
(Just like that)
Just like that
(Just like that, just like that)
Someone who burns in the kitchen
Baby even has a couple chitlings
Never be trippin' and listen
Ready to try new positions
Got her own dough, maybe
We can drive matchin' Benzes
Baby is cool but has visions
Really puts it down in bed, with precision
Girlfriends in the back and the toe lickin'
Don't listen to the rumors from them bitches
I'm lookin' for someone
(Just like that)
Hearing in her tongue
(Just like that)
Gotta have some fun and ain't trippin' on
Does them freaky things?
(Just like that)
Thick all in them jeans
(Just like that)
Goes down like submarines
(Just like that)
Just like that
I'm lookin' for someone
(Just like that)
Hearing in her tongue
(Just like that)
Gotta have some fun and ain't trippin' on
Does them freaky things?
(Just like that)
Thick all in them jeans

(Just like that)
Goes down like submarines
(Just like that)
Just like that
(Just like that)
I need a shorty that's down for whatever
Someone I can call on whenever
That can hold me down under pressure
A lady that got her own cheddar
Like yah your girl is cute, but dawgs mines looks better
Gotta be real sweet and tender
Guys want a wife and not just hit her
Haters mad as him 'cause I'm wit her
Do you understand my niggas?
She's gotta be just like that
