

Jai ma Kali

Nastrond

The world is suffering

O, terrible wife of Shiva You chew the human meat

O, terrible wife of Shiva Your tongue drinks the blood O, dark mother, O, unclad mother

O, Jagratan kali, O, terrible O Chinnamasta, she who to be beheaded

O, Chandi, most horrifying aspect

O, Kamaski, consumer of souls Hear our pray, O, terrible wife of Shiva This is the age of Kali

So arise from the abyss Mahishararu Mighty goddess whose claws ripping

The moon-sickle of your forehead

The bells, the worm-eaten black meat

Every skull that adorn your necklace

Laughs of a terrible life

O, Goddess Kali, you who

Your own head has cut off

To drink your own blood This is the age of Kali
