Betty Dreams of Green Men

Guerilla Toss

Tucked inside the pocket Sitting little rabbit

Filthy cellphone ringtone

Visitation relicRising up high into the tunnel

She was taken in by the creature

Telepathic talking and I can't kick it

Unusually calming, transcend habitDo not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okayBetty dreams of green men

Taken now and again

A faint sound of a humming

Is a twin to nothing A bronzer seen from the future

Watching changes within the skyline

Telepathic talking and I can't kick it

Unusually calming, transcend habit

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay

Do not call me, Do not say my name

Waiting for the alien okay
Do not call me, Do not say my name
Waiting for the alien okay
Do not call me, Do not say my name
Waiting for the alien okay
Do not call me, Do not say my name
Waiting for the alien okay
Do not call me, Do not say my name
Waiting for the alien okay
Do not call me, Do not say my name
Waiting for the alien okay
Do not call me, Do not say my name
Waiting for the alien okay
