

# Put Your Hands Up (If You Feel Love)

Kylie Minogue

I look around, I see a million different faces  
But no one's lookin' in my eyes  
It takes a minute when I'm in these different places  
To realize All we need is love in this life, it's true  
All I need is the love I get from you  
And I wanna scream it out  
If you hear what I'm sayin' Put your hands up  
If you're feelin' love tonight  
If you're feelin' love  
Now put your hands up  
If you're feelin' love tonight  
If you're feelin' love No matter what, we're gonna take this moment  
Now come on, baby, you can show me  
So put your hands up  
If you're feelin' love tonight  
If you're feelin' love Everybody knows how life can get so twisted  
But I won't let it bring me down  
And there's no point in ever tryin' to resist it  
Just work it out All we need is love in this life, it's true  
All I need is the love I get from you So put your hands up  
If you're feelin' love tonight  
If you're feelin' love  
Now put your hands up  
If you're feelin' love tonight  
If you're feelin' love No matter what, we're gonna take this moment  
Now come on baby you can show me  
So put your hands up  
If you're feelin' love tonight  
If you're feelin' love If you're comin' out tonight  
Let me hear it now  
Said if you're comin' out tonight  
Let me hear it Now put your hands up  
If you're feelin' love  
Now put your hands up  
If you're feelin' love So put your hands up  
If you're feelin' love tonight  
If you're feelin' love  
Now put your hands up  
If you're feelin' love tonight

If you're feelin' love No matter what, we're gonna take this moment  
Now come on, baby, you can show me  
So put your hands up  
If you're feelin' love tonight  
If you're feelin' love
