

Love the One You're With

Crosby, Stills, Nash & Young

From the album four way street When you're down and confused
And you don't remember who you're talking to
Concentration slip away
Because your baby, is so far away Well there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love. honey Love the one you're with Love the one you're with
Love the one you're with Love the one you're with Don't be angry don't be sad
Don't sit cryin' over good times you had
There's a girl right next to you
And she's just waiting for something to do And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with Love the one you're with
Love the one you're with Do it do it do it (Instrumental) Love the one you're with love the one you're with
Love the one you're with love the one you're with Turn your heartache right into joy
She's a girl and you're a boy
Get it together, make it tonight,
You ain't gonna need any more advice And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with Love the one you're with
Love the one you're with Love the one you're with Do it do it do it
