I Promise You

Samantha Fox

You never touch anything till it touches you
And oh when you touch me
I feel beautiful for youSo hold me tight tell me you'll never leave my side
Stay loving me boy - loving you boy all the timeHey!I promise you I'd take you away - get ready! get ready!
I'd promise you I'd take you away - get ready! get ready!Your lips, your breath, you give me the softest caress
And oh when you kiss me
I'd do anything for you (for you)So hold me tight, tell me you'll never leave my side
Stay loving me boy - loving you boy all the timeNow I, I've seen you laughing
Now I, I've seen you laughingHey!Your eyes, it's something in your eyes
