

# Need To Be Next To You

Sara Evans

Been running from these feelings for so long  
Telling my heart I didn't need you  
Pretending I was better off alone  
But I know that it's just a lie  
So afraid to take a chance again  
So afraid of what I feel inside But I need to be next to you  
Oh I, oh I  
I need to share every breath with you  
Oh I, oh I  
I need to know I can see your smile each morning  
Look into your eyes each night  
For the rest of my life  
Here with you near with you  
Oh I, I need to be next to you Right here with you is where I belong  
I'll lose my mind if I can't see you  
Without you there is nothing in this life  
That would make life worth living for  
I can't bear the thought of you not there  
I can't fight what I feel anymore But I need to be next to you  
Oh I, oh I  
I need to share every breath with you  
Oh I, oh I  
I need to know I can see your smile each morning  
Look into your eyes each night  
For the rest of my life  
Here with you near with you  
Oh I, I need to be next to you Oh I, I need to be next to you  
I need to have your heart next to mine  
For all time  
Love you for all of my life But I need to be next to you  
Oh I, oh I  
I need to share every breath with you  
Oh I, oh I  
I need to know I can see your smile each morning  
Look into your eyes each night  
For the rest of my life  
Here with you near with you  
Oh I, I need to be next to you
