# Beautiful Goodbye

## Kim McLean

I count the ways I let you down
On my fingers and toes but I'm runnin? out
Clever words can?t help me now
I keep you tight but you're slipping out
And I remember your eyes were so bright, when I first met you. So in love that night
And now I'm kissin? your tears goodnight, and I can't take it
You're even perfect when you cry
Beautiful goodbye (bye bye, bye bye)
It?s drippin? from your eyes (bye bye, bye bye)
Your beautiful goodbye (bye bye, bye bye whoa)
It?s drippin? from your eyes (bye bye, bye bye)
Oh yeah
When did the rain become a storm, when did the clouds begin to form
Yeah we got knocked off course by a natural force and we'll, we'll be swimmin? when it?s gone
And I remember your eyes were so bright, when I first met you. So in love that night
And now I'm kissin? your tears goodnight, and I cant take it
You're even perfect when you cry

Beautiful goodbye (bye bye, bye bye)
It?s drippin? from your eyes (bye bye, bye bye)
Your beautiful goodbye (bye bye, bye bye)
It?s drippin? from your eyes (bye bye, bye bye)
Oh yeah
All the pain you try to hide shows through your mascara lines as they stream down from your eyes
Let ?em go, let ?em fly, holding back wont turn back time, believe me I've tried
And your eyes were so bright, I remember your eyes were so bright
I remember your eyes were so bright
When I first met you how in love were we that night
And now I'm kissin? your tears goodnight, and I can?t take it
You're even perfect when you cry
Beautiful goodbye (bye bye, bye bye)
It?s drippin? from your eyes (bye bye, bye bye)
Your beautiful goodbye (bye bye, bye bye whoa)
It?s drippin? from your eyes (bye bye, bye bye)
Yeah, yeah, yeah
