

Desperate Times Call for Desperate Housewives

Greeley Estates

Listen up everyone,
I want you on the floor, on the floor!
When I say face the ground,
I mean on the floor, on the floor! Yeah, this is a hold up
So listen up while I wave my gun
Yeah, this is a hold up
Be patient 'cause I'm really new at this.
Be patient, I'm just so sensitive.
What's the story?
I want the headlines.
What's the story?
I want the headlines.
I'll be on the news tonight. Once again everyone,
I want you on the floor, on the floor!
I think we all know the drill,
Just stay on the floor, on the floor!
Yeah, this is a hold up
So listen up while I wave my gun
Yeah, this is a hold up
Be patient 'cause I'm really new at this
Be patient, I'm just so sensitive
What's the story?
I want the headlines.
What's the story?
I want the headlines.
I'll be on the news tonight. Yeah, this is a hold up
So listen up while I wave my gun
Yeah, this is a hold up
So listen up while I wave my gun Desperate times,
Call for desperate measures [x3] Be patient 'cause I'm really new at this
Be patient, I'm just so sensitive
What's the story?
I want the headlines.
What's the story?
I'll be on the news tonight.
