

Stand By You

Rachel Platten

[Rachel Platten]

Hands

Put your empty hands in mine

And scars

Show me all the scars you hide

And hey, if your wings are broken

Please take mine so yours can open too

Cause I'm gonna stand by you

Oh, tears make a lot of [?] in your eyes

And hurt, I know you're hurting, but so am I

And love, if your wings are broken

Borrow mine so yours can open too

Cause I'm gonna stand by you Even if we're breaking down, we can find a way to break through

Even if we can't find heaven, I'll walk through Hell with you

Love, you're not alone, cause I'm gonna stand by you

Even if we can't find heaven, I'm gonna stand by you

Even if we can't find heaven, I'll walk through Hell with you

Love, you're not alone, cause I'm gonna stand by you Yeah, you're all I never knew I needed

And the hurt, sometimes it's unclear why it's bleeding

And love, if your wings are broken

We can brave through those emotions too

Cause I'm gonna stand by you

Oh, truth, I bet truth is what you believe in

And faith, I guess faith is helping to reason

No, no, no, love, if your wings are broken

Borrow mine so yours can open too

Cause I'm gonna stand by you Even if we're breaking down, we can find a way to break through

Even if we can't find heaven, I'll walk through Hell with you

Love, you're not alone, cause I'm gonna stand by you

Even if we can't find heaven, I'm gonna stand by you

Even if we can't find heaven, I'll walk through Hell with you

Love, you're not alone, cause I'm gonna stand by you And I'll be your eyes when yours can't shine

I'll be your arms, I'll be your steady satellite

When you can't rise, well, I'll cry with you on hands and knees

Cause I will stand by you Even if we're breaking down, we can find a way to break through

Even if we can't find heaven, I'll walk through Hell with you

Love, you're not alone, cause I'm gonna stand by you

Even if we can't find heaven, I'm gonna stand by you

Even if we can't find heaven, I'll walk through Hell with you

Love, you're not alone, cause I'm gonna stand by you
Love, you're not alone, cause I'm gonna stand by you
I'm gonna stand by you
I'm gonna stand by you
