Lay My Body Down

Rag'n'Bone Man

All i'm looking for
is a little bit more rope
to rap around my throat
I'm in trouble
I'm in troubleAnd all I'm gasping for
is one last breath of hope
to heal the heats I broke
I'm in trouble
I'm in troubleWhen you lay my body down
when you throw me in the ground
don't be sorrywhen you lay my body down when
I'm buried in the groundsave your prayers
don't shed a tear
don't shed a tear for me
save your prayers
don't shed a tear
don't shed a tear for meTurn your heart to the trail of souls behind me
save your prayers
don't shed a tear don't shed a tear for meAll the fearful eyes stay
burnt up on my mind
the gift they left behind
all my troubles
all my troublesStill they find the words
ring louder than my thoughts
they're heavy as a curse
I'm in trouble
I'm in troubleWhen you lay my body down
when you throw me in the ground
don't be sorrywhen you lay my body down when
I'm buried in the groundsave your prayers
don't shed a tear
don't shed a tear for me
save your prayers
don't shed a tear
don't shed a tear for meTurn your heart to the trail of souls behind me
save your prayers
don't shed a tear don't shed a tear for meThese are my confessions
I'm singing out my dying words
These are my confessions

make peace before I hit the dirt
These are my confessions
here are all my sins laid down in verse
These are my confessions
Oh these are my confessionssave your prayers
don't shed a tear
don't shed a tear for me
save your prayers
don't shed a tear
don't shed a tear for meTurn your heart to the trail of souls behind me
save your prayers
don't shed a tear don't shed a tear for me
