Decay

Ivy

Drifting softly, riding shadows
Let me float away
Closing my eyes, wandering so far
Trying to stop this slow decayAah, I'll never be the same again
Aah, I'll never be the same againSilence fills me, sweet infusion
Let me start to fade away
Rising higher and no longer
Watching myself in slow decayAah, I'll never be the same again
Aah, I'll never be the same again
Aah, I'll never be the same again
Aah, I'll never be the same again
