Up on the wood-framed wheel
So the grant I'm grippin'
The candy paint's drippin'

And I ain't even trippin'
From side to side

Got the trunk popped open
The fifth is on mean
Got them neon lights shinin'
The big rims blindin'
The screens fallin' down
You know I'm grindin'

She's my little RichGirl
She way too fly
Her walk and her talk
Is catchin' my eye
Her ring diamond
On her dress is Coogi

Wit her Louis 10 heels
Her bag is Gucci
But I'm fresh as I wanna be
Check my swag
My thousand dolla shoes
My hundred dolla rag
My new era [?]
I'm crowned, hold her down
My [?] sittin'
24 inches off the ground[Lyndriette:]
I don't want you thinkin' no kinda way
I ain't never done this before (I ain't never done this before)
But the emotions that I get when I'm next to you
Make me so irresponsible (make me so irresponsible)[Brave:]
So them 24 inches from the ground will do (they'll do)
Just make sure you lock them doors (just make sure you lock the doors)[SeVen:]
Cuz me and you we 'bout to get down
