

Paint It Black (The Rolling Stones cover)

The Animals

 Hmm, ah
 I see a red door and I want to paint it black
 No colors in my life, you better turn them black
 I see them walking by dressed in their colorful clothes
 My happiness de
 No more will my grey sea turn a deeper blue
 I cannot foresee this thing happening to you
NoI see people walking by dressed their summer clothes
 I see them strolling by, my happiness ?
 Turn it black
 Yeah yeah yeah yeah
 I said I know baby
 Everything is black I know
 Since you been gone
 Everything is black before my eyes
 Baby ehEverything is black I know
 Turn to me
 And help me see again baby
 Help me walk once more
 And help me talk again, walk again
 Stand up like a man baby
Since you been gone, goneThere is no color in my life baby
 Its turning so very very ? black
 Humph, I walk down the street
 And I see a line of cars
 Maybe blue, maybe brown, maybe green
 But their turning black
 Before my very eyes
And you could not knowWhat its like when your whole world is black
 When everything you see and touch
 Turns so very very black hmm
 Oh baby now
 I need you by my side
 Bring some color into my life
 Once again
I even tripped down and fellDidn't see no colors anymore baby
 Bad, bad scene
 And I have to tell you baby
 No more will my grey sea go turn a deeper blue

I cannot foresee this thing ever happening to you
No
I see people walking by me
They're all going in different directions I see them strolling by and my heart splinters like a flame
Turning black baby
Turning black I know
Everything
Since you've been gone is turning black, turning black
Turning black, turning black, turning black
Yeah yeah yeah yeah, baby
Oh lord, oh babe, whoa lord, help me see again, baby
Help me walk, talk, walk stand up like a man I know Need you standing by my side
Because I'm blind and I cannot see
Color blind
I'm color blind
Paint everything so black
Go ahead and paint it black baby
Everything is black black, black, its turning black I know
Need some color in my life
