Medication

Son Volt

Living on medication
Don't wanna know what I've done
Place to place, on the run
Living on medicationLiving on medication
Wanted to slow the world downMake a break concentrate on
Different solution
Realization waves of the soon to learn
Walking oil spillLiving on medication
Nothing can stop us now
Headed for the stratosphere
Living on medicationDestination set, engines on
Drop a to un jet streamMake a break concentrate on
Different solution
Realization waves of the soon to learn
Pollution restitution
