

# The Beast Inside the Lion

## Polar Lights

Faceless riddles, Illuminate  
You speak in tongues, the king of spades but now you're drowning out the fire  
Head strong I carried on but you're just simply not a fighter  
And oh oh and oh oh  
Yeah you're drowning out the fire Send my regards and I wish you well  
So long to karma and your wicked veil  
Now I'm drowning out desires  
Head strong I carried on  
Now I'm the Beast Inside The Lion  
And oh oh and oh oh yeah, The Beast Inside The Lion  
oh oh woah oh oh(4) In the name of the Father, The Son and The Holy Ghost  
I refuse to give in to the dome of the righteous  
Cause when the lights go out and you're all alone  
They'll look away and leave you there in the blackness Forgive me Father for I have sinned  
And the truth is far from the state I'm in  
Forgive me Father for what I've seen  
The rush of blood and everything in between  
Forgive me Father for I have sinned  
Forgive me Father for what I've sinned Echoes(3) Silence  
Dreaming(3) Defiance  
Chasing colors on a leash  
Faceless riddles fear defeat  
Well I'm hearing whispers yeah they dance in the wind  
I'm seeing shadows they creep into my skin  
If I let go, I'll meet you down at the crossroads  
If I let go.
