One Heart (Extended Mix) [feat. P. Moody]

Italobrothers

Yeah, It's time to go crazy,
you know we gonna do it like Lindsey
Britney with a little bit of Charlie
then we might go wild like Miley
pop bottles then pop Molly
'till the room spin around Kylie
Can you hi-hi-hear my Wiley
don't worry be happy smileyParty, party, party
I came, I came to party, party, party
she came, she came to party
she twerk it like she Miley
pop bottles and pop Molly
no we ain't gone be sorry, sorryCause we are one soul and one heart
we feel it from the start right now
we gotta live our lifeCause we are
one soul and one heart
we feel it from the start right now
don't you know that everything will turn out right, tonight
all we need is just a little time tonight
(tonight 4x)
(night 16x)Go!We (we 5x) came to party,party,party
I came, I came to party, party, party
She came, she came to party, party, party
I came, I came to party, party, partyCause we are one soul and one heart
we feel it from the start right now
we gotta live our lifeCause we are
one soul and one heart
we feel it from the start right now
don't you know that everything will turn out right, tonight
all we need is just a little time tonight(tonight 4x)
(night 16x)Somebody once asked me
what's the meaning of life
I told him I don't know
but you gotta enjoy it
while you got it
