

Up The Ladder To The Roof

Bette Midler

Come with me, come with me
And we shall run across the sky
We illuminate the night
Ohh, I, I will try and guide you
To better times and brighter days
Just don't be afraid
Come on up the ladder to the roof
Where we can see heaven much better
Let's go up the ladder to the roof
Where we can be closer to heaven
Stay with me, stay with me
And we shall let expression ring, hear freedom singin'
Ohh, memories of yesterday's broken dreams
Hey, don't you know, don't you know
That they are gonna fade away? Don't be afraid
Come on up the ladder to the roof
Where we can see heaven much better
Let's go up the ladder to the roof
Where we can be closer to heaven
We'll relax, I'll tell you the story of love
How it is, the happiness in it, baby, combine these thoughts
And together we'll travel to the fountain of lovingness
I will never, never, never, never, never leave you, baby
If we hold on longer our love is gonna grow much stronger
Stand with song and sing
Say, don't you wanna go?
Say, don't you wanna go?
Say, don't you wanna go?
Say, don't you wanna go?
Say, don't you wanna go?
Say, don't you wanna go?
Say, don't you wanna go?
Say, don't you wanna go
Up the ladder to the roof
Where we can see heaven much better
Let's go up the ladder to the roof
Where we can be closer to heaven
Woah, let's go up the, up the, up the ladder to heaven
Heaven, heaven, heaven, heaven
