Farmer's Daughter

Crystal Bowersox

Half way to crazy
Not far from sane
Fucking sick and tired
Of all of your games

Oh all I ever wanted was you to take care of me
And honor thy mother
Oh and father too
But I know there ain?t no way in hell that god mentioned you

CORUS:
all I ever wanted was you to be there for me
and all I ever needed was you to be here for me
This time is the last time you?re gonna see us around
OOOO this was your last chance to prove you wouldn?t let me down
So go on
Get gone and
Get away from here
Alone
All alone
Is how your gonna spend the rest of your years
Cause I?m no farmer?s daughter anymore
Mommy dear

I remember back in High School
My brothers and me
Willy put his head through the door to find clarity
And you?d come home with burbon breath
Jack in the air
And when you broke my bones
I told the school I fell down the stairs

All I ever wanted was you to be there for me
And all I ever needed was you to be here for me
This time is the last time you?re gonna see us around
This was your last chance to prove you wouldn?t let me down
So go on
Get gone and
Get away from here
Alone

All alone
Is how you?re gonna spend the rest of your pathetic years
Cause I?m no farmer?s daughter anymore
I ain?t no farmers daughter anymore
No farmer?s daughter anymore
Mommy dear
Mommy dear
