

# Farmer's Daughter

## Crystal Bowersox

Half way to crazy  
Not far from sane  
Fucking sick and tired  
Of all of your games

Oh all I ever wanted was you to take care of me  
And honor thy mother  
Oh and father too  
But I know there ain't no way in hell that god mentioned you

CORUS:

all I ever wanted was you to be there for me  
and all I ever needed was you to be here for me  
This time is the last time you're gonna see us around  
OOOO this was your last chance to prove you wouldn't let me down  
So go on  
Get gone and  
Get away from here  
Alone  
All alone  
Is how your gonna spend the rest of your years  
Cause I'm no farmer's daughter anymore  
Mommy dear

I remember back in High School  
My brothers and me  
Willy put his head through the door to find clarity  
And you'd come home with burbon breath  
Jack in the air  
And when you broke my bones  
I told the school I fell down the stairs

All I ever wanted was you to be there for me  
And all I ever needed was you to be here for me  
This time is the last time you're gonna see us around  
This was your last chance to prove you wouldn't let me down  
So go on  
Get gone and  
Get away from here  
Alone

All alone  
Is how you're gonna spend the rest of your pathetic years  
Cause I'm no farmer's daughter anymore  
I ain't no farmer's daughter anymore  
No farmer's daughter anymore  
Mommy dear  
Mommy dear
