## Brokencyde

Shake it baby x8
I'm feeling frisky tonight
Girl you can frisk me tonight
I'm feeling tipsy alright
Let;s get this party started
Hand me my drink and the pipe
Girl what you thinking tonight
Let's drink some whiskey on ice
We'll get belligerent

Let's get retarted,We'll throw a party, Drink some bacardi, And blaze some chronic. (x2)

Let's keep it ganster baby
Let's drink some gin and juice
I know you want me baby
I got those sexy moves
I drive those bitches crazy
Cuz im a sexy dude
Don't expect on havin sex unless you shave your pubes

Shake, jump, move your hips
I'm feeling so drunk, about to loose my grip
Get crunk, get loose hoe, shake your tits
Drop that ass to the floor and make it twitch
Like, OMG girl make it twitch
I'm drunk in the mosh pits with naked chicks
Like fuck you bitch you make me sick
I'll make you lick my magic stick
You can lick my lollypop, my lollypop, my lala lollypop
Now make it drop, too drunk to stop
Excuse me if i touch your crotch
Becuz im drunk right now, and my dick is bored
Cause i can't meet chicks at the liquor store.

Let's get retarted, we'll throw a party, drink some bacardi, and blaze some chronic (x2)

Let's keep it ganster baby
Let's drink some gin and juice
I kno you want me baby
I got those sexy moves

I drive those bitches crazy
Cuz im a sexy dude
Don't expect on havin sex unless you shave your pubes

(Smoke on the hydro
Pass me the 40
My ice is so cold
This club is freezing baby)

Oh yeah it's cold outside
These bitches want some brokencyde
Let's go outside I'll go outside
I'll fuck you while your boyfriend cries
I'm drunk and high, about to lose my grip
Cause these bitches want my cookie crisp
So don't blame me, blame the alcohol
I'm in the bathroom stall
Bitch i got blue balls

Let's get retarted, we'll throw a party, drink some bacardi, and blaze some chronic (x2)

Let's keep it ganster baby
Lets drink some gin and juice
I know you want me baby
I got those sexy moves
I drive these bitches crazy
Cuz im a sexy dude
Don't expect on havin sex unless you shave your pubes (x2)
