You Can Tell

She Keeps Bees

you can tell yes I believe you can
I never thought I needed to help your hands
yes I can tell oh I can tell
if I don't see you more than I can take
then I will promise to read you as long as I can take
give me one good reason
give me one good stay
never mind the reasons
stake your claim
if I don't see you ever again
then that's a promise I'm keeping as a friend
you need someone to blame
well I'm the one to blame
