Stay Awake

Iration

I'm sorry that I hurt you with those things I had to say
Never meant to bring you heartache and sorrow
Sorry that the sunshine never came today
Weatherman forecasts blue skies tomorrowSo let's stay awake
And watch the sunrise
Let's take it slow
'Cause baby time fliesWhoawhoawhoa
Well I might not be exactly what you had in mind
But I got you believin
Whoawhoawhoa
No I might not be the perfect guy you hoped to find
But I know that you feel it
You think it's a role I have to play
a personality that I borrow
But if you and I can last another day
There might just be a path we can followSo let's stay awake
And watch the sunrise
Let's take it slow
'Cause baby time fliesWhoawhoawhoa
Well I might not be exactly what you had in mind
But I got you believin
Whoawhoawhoa
No I might not be the perfect guy you hoped to find
But I know that you feel itNo I don't have exactly what you want,
but I got just what you need
So say you love me
Stay awake
And watch the sunrise
Let's take it slow
'Cause baby time fliesSo let's stay awake
And watch the sunrise
Let's take it slow
'Cause baby time fliesWhoawhoawhoa
Well I might not be exactly what you had in mind
But I got you believin
Whoawhoawhoa
No I might not be the perfect guy you hoped to find
But I know that you feel itNo I don't have exactly what you want,
but I got just what you need

So say you love me
