Surrender

Lee Ann Womack

Baby, it's like dreaming
When your wide awake
Surrender
Baby would you
Would you like to go on a
Paradise with me?
Let me kiss you
(Let me kiss you)
Let me love you
Close your eyes and you'll see
(No defenses, just your senses)
The sun is shining
The tide is rising
The water's pulling at our feet
(It's like dreaming)
Hold your breath now
(When your wide awake)
Take my hand and
(Take my hand)
Come with me
(Come with me)
Let me just take you there
I could just take you there
Won't you let me take you there, right now?
(Just your senses)
Leave the world waiting there
(In your heart)
Leave it without a care
(Baby)
Baby, if you dare
(Surrender)
I'll show you how
(Surrender)
Waves are washin' over me
Set your spirit free, surrender
Baby, emotions run deep
Let's go underneath, surrender
No defenses
Just your senses

And the pounding of a heart
It's like dreaming when you're
Wide awake
Every time I take you in my arms
Let me just take you there
I could just take you there
Won't you let me take you there, right now?
Feel the heat on your skin
Sweeter than it's ever been
Why don't we just give in to it now?
Waves are washin' over me
Set your spirit free, surrender
Baby, emotions run deep
Let's go underneath, surrender
Let me just take you there
I could just take you there
Won't you let me take you there, right now?
Feel the heat on your skin
Sweeter than it's ever been
Why don't we just give in to it now?
Waves are washin' over me
Set your spirit free, surrender
Baby, emotions run deep
Let's go underneath, surrender
Waves are washin' over me
(Baby would you, would you like to go on a)
Set your spirit free, surrender
(Paradise with me)
Baby, emotions run deep
(Hold your breath now, take my hand and, aah)
Let's go underneath, surrender
(Come with me)
Baby, would you
Would you like to go on a paradise with me?
Hold your breath now
Take my hand and
Come with me
