

Livin' In Another World

Robin Gibb

Livin' in another world
Livin' in another world I had a special dream tonight
I heard an angel call
I kissed a girl from India
I saw the China wall If men are mad and mice are blind
They never see the sun
And if the sun should go away
I'll find another one Oh, what am I? (There's no simple answer)
Oh, what am I now? (Life is just a mystery)
Oh, what am I? (No one lives forever)
Oh what am I now? (You'll go down in history) Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh
Livin' in another world
Oh-oh, oh-oh I'm gonna change your life tonight
A secret destiny
I'm slipping in the twilight zone
Where everything is free We got the planes, the factories
The strength of Hercules
I'm living like a superstar
Upon the silver screen Oh, what am I? (Universal person)
Oh, what am I now? (Please conserve your energy)
Oh, what am I? (Cable television)
Oh, what am I now? (You'll go mad eventually) Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh
Livin' in another world
Oh-oh, oh-oh Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh
Livin' in another world
Oh-oh, oh-oh Oh, what am I? (One suburban complex)
Oh, what am I now? (Check the Dow Jones index)
Oh, what am I? (Journey incognito)
Oh, what am I now? (No one cares about you when you're) Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh
Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh Livin' in another world
Oh-oh, oh-oh
Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh

Livin' in another world
Oh-oh, oh-ohLivin' in another world
Oh-whoa-oh-oh, whoa-oh-oh
Livin' in another world
Oh-whoa-oh-oh, whoa-oh-oh
