

Push It Away

311

I used to have this idea
That getting a silver medal wouldn't set me free
Oh, but you know that I really don't need
Catch or fame or credit
Nor a big fat bank account with no debit
So just set me straight
Cause eating your peace of mind just cant wait I sent a telegram marked urgent, urgent
I hope it gets to my door, my big, big door
I'm going free if they kill me
Cause this ain't much better anyway Just push it away
Push it away, yeah
Just push it away, push it away
Push it away Oh, success, that elusive brainchild of breed
Something you want, not need
Face it, cause
Money cant buy true friendship or trust
And applause will never be any substitute for love
But not me man, check it out I sent a telegram marked urgent, urgent
I hope it gets to my door, my big, big door
I'm going free if they kill me
Cause this ain't much better anyway Just push it away
Push it away, yeah
Just push it away, push it away
Push it away
