## **Push It Away**

## 311

I used to have this idea

That getting a silver medal wouldn't set me free

Oh, but you know that I really don't need

Catch or fame or credit

Nor a big fat bank account with no debit

So just set me straight

Cause eating your peace of mind just cant waitI sent a telegram marked urgent, urgent

I hope it gets to my door, my big, big door

I'm going free if they kill me

Cause this ain't much better anywayJust push it away

Push it away, yeah
Just push it away, push it away
Push it awayOh, success, that elusive brainchild of breed
Something you want, not need

Face it, cause

Money cant buy true friendship or trust
And applause will never be any substitute for love
But not me man, check it out I sent a telegram marked urgent, urgent
I hope it gets to my door, my big, big door
I'm going free if they kill me
Cause this ain't much better anywayJust push it away
Push it away, yeah
Just push it away, push it away
Push it away
