# Be Easy (Dj Pasa Remix)

## Massari

Be easy hommie let's pop a bottle
This is for the fellas in the spot that want to rock with me
Tonight I want to find me a model
We all came here to do what we doI know you ain't tryin to get caught up
You don't got a problem chillin in the spot with me
And we just want to have a good time
VIP is about to get hotter[Chorus: x 2]
Leave all them troubles hommie and lets pop a bottle
Come on now mommi we sippin Dom Perignon
Know that you're feelin it when you jump up and holla
Shakin' it shakin' it take it high bring it lowIf you want to love somebody
You need to get up out your seat
If you want to be ma shorty
Then come and give your love to meIf you want to love somebody
You need to get up out your seat
If you want to be ma shorty
Then you gotta come and give your love to meBe easy hommie lets let the game roll
When it comes to singin' ain't nobody that can drop like me
The ladies want to get with it coz they know
They ain't never seen a player move how I moveAnd when they get with it they want to stay close
Everything is payed for when you makin' dough like me
Now everybody throw you're hands out
Shorty be shakin' it like she got some for me.[Chorus: x 2]
Leave all them troubles hommie and lets pop a bottle
Come on now mommi we sippin Dom Perignon
Know that you're feelin it when you jump up and holla
Shakin' it shakin' it take it high bring it lowIf you want to love somebody
You need to get up out your seat
If you want to be ma shorty
Then come and give your love to meIf you want to love somebody
You need to get up out your seat
If you want to be ma shorty
Then you gotta come and give your love to me[Repeat: x 2]
