

Bottom

Puddle of Mudd

Lift your head up from the clouds
I know that you're shaking, breaking down
How could you leave me in a garbage can?
Never want to be your understand
Help me
Help me
Help me
Help me Lord can you help me get this weight off my shoulders?
Can you help me I think I'm getting older
The pain that you left me deep within
How can I live, living in sin? And you know that I've tried
And you know
Lord knows I've tried every day of my life
Sitting at the bottom
Sitting at the bottom with you
Sitting at the bottom with you
I'm just sitting at the bottom with you
I'm just sitting at the bottom
Sitting at the bottom How many times I gotta say
That you're never ever gonna get your way
Down in the gutter as I decay
Where you gonna leave me? Let me be
Help me
Help me
Help me
Help me, understand And you know that I've tried
Don't you know?
Lord knows I've tried every day of my life
Sitting at the bottom
I'm sitting at the bottom with you
I'm just sitting at the bottom with you
Now I'm sitting at the bottom with you
I'm just sitting at the bottom
Sitting at the bottom with you Sticks and stones may break my bones
But words will never hurt me
Sticks and stones may break my bones
But words will never hurt me Sticks and stones they're breaking my bones
Bloody words are never gonna hurt me
Sticks and stones and breaking my bones

Bloody words was never gonna hurt me
And you know that I've tried
And you know
Lord knows I've try every day of my life
Sitting at the bottom
Sitting at the bottom with you
I'm just sitting at the bottom with you
Now I'm sitting at the bottom with you
I'm just sitting at the bottom with you
I'm just sitting at the bottom with you
I'm just sitting at the bottom with you
Now I'm sitting at the bottom
Sitting at the bottom
Sitting at the bottom
Sitting at the bottom with you
Sitting at the bottom with
Sitting at the bottom with
Sitting at the bottom with
Sitting at the bottom with
Sitting at the bottom with
Sitting at the bottom with
Sitting at the bottom with you
Sitting at the bottom
Sitting at the bottom with you
Oh, I feel
