

# Up, Down, Left, Right

## Soundcheck, Odd Squad & Paul Buckley

Up, down, left, right  
I'm gonna move my feet tonight  
I'm gonna show my funky side like nobody's watching  
In, out, jump, twist  
Pumping a beat I can't resist  
So I'm gonna get ridonkulous  
Like nobody's watching  
Dance, dance like nobody's watching  
Dance, dance like nobody's watching  
Up, down, left, right, in, out, jump, twist  
Up, down, left, right, in, out, jump, twist  
Up, down, left, right, in, out, jump, twist  
I'm gonna get ridonkulous
