

Solar Soul

Samael

go if you want to know
what's behind those hills
run if you want to catch
what's waiting there for you
walk through another door
...on another floor
learn how to get across
if you want to come through
look for the missing link
between your dreams
and reality
find it, it is the key
push aside yesterday
push aside tomorrow
the only time is now
what we got is today
one nation-generation
connecting people in a collective mind
emergence - renaissance
the world is in your hands
don't let it slip away
ask and you're gonna get
wait and you'll see
lives more than we think
and way more than they say
yes we do believe
there's no ending to
what we've started once
it will go on and on
team up with the best
trust in providence
...it will favour
your undertakings
push aside yesterday
push aside tomorrow
the only time is now
what we got is today
one nation-generation
connecting people in a collective mind
emergence - renaissance
the world is in your hands
don't let it slip away
