

Every Day Is a Monday (Remastered)

[Laura Pausini](#)

Feels like
I've been frozen in time
And I'm looking for an easy way
To get on with my life
But I know
You're the one to tell
I've been putting on a masquerade
I ain't doing that well
Everything is crushed
And I'm losing this game
I can't help myself for wonder
Do you feel the same? How could I ever say goodbye
Everyday is a Monday
Without you by my side
I must have been a fool to try
'Cos everyday is a Monday
Without you in my life Tell me
It's a big mistake
'Cause I kind of learned my lesson
More than I can take Freedom
Had a price to pay
I don't want to be the one
To throw it all away Everything is crushed
And I'm losing this game
I can't have myself for wonder
Do you feel the same? How could I ever say goodbye
Everyday is a Monday
Without you by my side
I must have been a fool to try
'Cos everyday is a Monday
Without you in my life We were the weekend
Always living to be free
Now I'm stuck in a Monday
When I need you
Everyday of the week.
