I'm In Love Again

Minnie Riperton

(m. riperton - r. rudolph)I'm in love again, this time I think that it's for real
I'm in love again, I think I know just how you fee
It's like waking early on christmas morning
And finding the toy of your dreams
And that's the way you make me feel
That's the way that it should beI'm in love, this time I think that it's for sure
I'm in love again, it what I've lived my whole life for
You've given me such happiness, you've given me so much joy
You've changed my sadness into gladness
How could I ask for more
