

# Run Riot

## Camo & Krooked

Living by the law is a bloody necessary bore  
Everybody, are you gettin' what you're lookin' for?  
Livin' by the rule is somethin' that you gotta do  
But does it matter if we  
(Break a rule or two?)Get up, break out  
Don't be the odd one outLivin' on the edge, I'm a trynna keep a level head  
(Oh!)  
Every morning it's a bummer gettin' out of bed  
Same old story, doesn't nothin' ever ever change?  
Yeah, they lock me up and then they let me out againGet up, break out  
Don't be the odd one out  
C'mon, it's alright  
We're hot tonightYou better run  
(Run, run riot)  
You gotta run  
(Run, run riot)You know the time has come  
(Run, run riot)  
I mean everyone  
(Run, yeah, run riot)  
Oh, gotta riot, babeGoin' thru the motions, desperation guaranteed  
Whoa, get f-f-frustrated easily  
Pedal to the metal, senses workin' overtime  
Oh, a fight to the finish, babe, draw the lineGet up, break out  
Don't be the odd one out  
C'mon, it's alright  
We're hot tonight  
Night night nightRun  
(Run, run riot)  
You gotta run  
(Run, run riot)You know the time has come  
(Run, run riot)  
I mean everyone  
(Run, yeah, run riot)Speak to meThey lock me up, they let me out  
But I'm up and runnin'  
I scream and shoutGet up, break out  
Don't be the odd one out  
C'mon, it's alright  
We're hot tonightYou better run  
(Run, run riot)

You gotta run  
(Run, run riot) You know the time has come  
(Run, run riot)  
C'mon, run with me  
(Run, run riot)  
(Run, run riot)  
Hey, I'll take you from your misery C'mon, stick with me
