

Trouble in Mind

[Hank Snow](#)

Trouble in mind I'm blue but I won't be blue always
Cause the sun's gonna shine in my backdoor someday
I'm gonna lay my head on some lonesome railroad line
And let that 2:19 train pacify mind

Hello train hello

[guitar]

(Goin' down to the river gonna take me a rockin' chair)

And if the blues don't leave me I'll rock away from here Trouble in mind I'm blue my old heart is beatin' slow

I ain't had so much trouble in my life before

Trouble trouble trouble

My good gal she done quit me and it sure does leave my mind

When you see me laughin' it's laughin' to keep from cryin'
