Ohh's and Ahh's by Tommy Vixon

Verse:

It was a crazy day In this crazy town  
I heard you say, crazy's what your looking for  
Then you pushed me away  
and the music fills my head and heart  
Makes me wanna scream out and say

Chorus:

There's no more, ohh's or ahh's  
La La La La's or Na Na Na, Na Na Nah's  
There's no more, ohh's or ahh's  
There's no more smoke or flames  
No more playing these crazy games  
There's no more ohh's or ahh's

Verse:

Crazy lives in my soul, crazy's all I know  
Crazy's what I'm lookin for  
I swear I saw it all before, but crazy keeps calling me back for more  
It makes me wanna scream out and say, yeah

Chorus:

There's no more ohh's or ahh's  
La La La La's or Na Na Na, Na Na Na Nah's  
There's no more ohh's or ahh's  
There's no more sparkle in you eyes  
Telling lies or your sweet lullaby's  
There's no more ohh's or ahh's

Verse:

It's been such a crazy day  
It happened is such a crazy way  
Crazy always seems to break my heart  
It happens right from the start  
and the music fills my head and heart  
It makes me want to scream out and say

Chorus:

There's no more ohh's or ahh's  
La La La La's or Na Na Na, Na Na Na Nah's  
There's no more ohh's or ahh's  
There's no more playing in the night  
No more screamin and no more fights  
There's no more ohh's or ahh's

There's no more you or I  
No more saying good goodbye  
There's no more ohh's or ahh's  
There's no more smoke or flames  
No more playing these crazy games  
There's no more ohh's or ahh's  
There's no more sparkle in you eyes  
No more telling lies or your sweet lullaby's  
There's no more ohh's or ahh's
