

There Is No End

Charalambides

She wails
Go
to the rain

He is waiting for a girl who is not her
And I hope he can forgive her for not
Not being her
When she finds him
Will he know?
Sheâ€™s been looking and she will find him
Getting to it
Hiding your face angel
Itâ€™s been a while

There is no
good goodness
kind kindness
sweet sweetness
To compare

There is no end
To your beauty
There is no end
To your beauty
No end to your beauty
To your beauty (no end)
No end ~ no end ~ no end
