

# Somebody Someone

Korn

Advisory - the following lyrics contain explicit language:

I can't stand to let you in  
I'm just watching you  
And I don't know what to do Feeling like a fool inside  
Feeling all that you hide  
Thought you were my friend  
Seems it never ends I need somebody, someone  
Cant somebody help me?  
All I need is to be  
Loved just for me Giving you this and that  
Giving, getting nothing back  
It's all related to  
All the things I do Feeling like a fool inside  
Seeming all the things you tried  
I am nothing I need somebody, someone  
Cant somebody help me?  
All I need is to be  
Loved just for me I look, I sign, I need someone inside  
To help me out with what I'm trying  
I'm crying, I'm frying in a pile of shit  
I'm dying, I'm dying , I'm dying I need somebody, somebody  
(Someone, somebody)  
Someone  
I need somebody, somebody  
(Someone, somebody)  
Someone, someone
