It laughs when it cries  
It lives, then it dies  
Its so high, its hi fi  
Its right in your eyeDope Doll Jungle  
Jungle of lust  
Dope Doll Jungle  
Who can ya trust?It laughs when it cries  
It lives, then it dies  
Its so high, its hi fi

Jungle of lust  
Dope Doll Jungle  
Who can ya trust?Take another thorazine  
And you cruise into the in between  
Who am I? What am I doing?  
Im living a nightmareIt laughs when it cries  
It lives, then it dies  
Its so high, its hi fi  
Its right in your eyeDope Doll Jungle
