Anxiety

Ladyhawke

I take a pill to help me through the day
I stay inside until I feel okayIve always been so cautious
But Im sick of feeling nauseous
Its not that I am losing
This wall of my own choosingTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
Im here on my ownTake me on a ride
Show me how to hide the voice in my head
Youve got away with my anxiety
Its yours to take backI walk alone, I stumble to the beat
My stack of drums are always on repeat
You never win when losing is a game
Inside your head theres no one else to blameIve always been so cautious
But Im sick of feeling nauseous
Its not that I am losing
This wall of my own choosingTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
Im here on my ownTake me on a ride
Show me how to hide the voice in my head
Youve got away with my anxiety
Its yours to take backYouve got away with my anxiety
Its yours to take backTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
Im here on my ownTake me on a ride
Show me how to hide the voice in my head
Youve got away with my anxiety
Its yours to take back
