

Anxiety

Ladyhawke

I take a pill to help me through the day
I stay inside until I feel okayI've always been so cautious
But I'm sick of feeling nauseous
It's not that I am losing
This wall of my own choosingTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
I'm here on my ownTake me on a ride
Show me how to hide the voice in my head
You've got away with my anxiety
It's yours to take backI walk alone, I stumble to the beat
My stack of drums are always on repeat
You never win when losing is a game
Inside your head there's no one else to blameI've always been so cautious
But I'm sick of feeling nauseous
It's not that I am losing
This wall of my own choosingTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
I'm here on my ownTake me on a ride
Show me how to hide the voice in my head
You've got away with my anxiety
It's yours to take backYou've got away with my anxiety
It's yours to take backTake me on a ride
Show me how to hide the voice in my head
Meet me on the road, tell me all you know
I'm here on my ownTake me on a ride
Show me how to hide the voice in my head
You've got away with my anxiety
It's yours to take back
