Walking Out

Shadow Attack

You say that you're leaving
You give me your reasons
I can tell by your voice that
you're not alone, alone
Is she out in the hallway
As you're taking your love away
Hearing every word I say
Try to fight, find reasons why
But you don't hear a word I say, noTime's run out
I'm walking out, I'm walking out
Time to find some peace of mind
I'm walking out
(I'm walking out, I'm walking out)You come 'round to see me
You say that you've been missing me
I can tell by your face what
you came here for
You say that it's over,
and that you never knew her
but all this time you thought of me, yeahDo I look blind
I think you'll find
that I deserve much more than this
No, time's run out
I'm walking out, I'm walking out
(I'm walking out, I'm walking out)
Time to find some peace of mind
I'm walking out
(I'm walking out, I'm walking out)
